ASSISTANT GENERAL MANAGER - The Silver Plough, Pitton
£30,000 per annum

We are on the hunt for a motivated and experienced Assistant General Manager to work with us at The Silver Plough in Pitton. Beyond being passionate about food and drink, we're looking for someone who shares our vision and strives for perfection. To us, there is nothing more important than looking after people and serving the best food.

Working with us at the Silver Plough means working with Chickpea Group - a handful of pubs with rooms and pizza shops nestled in the South West. We're a young and rapidly growing hospitality business and the people we employ are the face of the business.

We'll be able to teach you everything you need to know to succeed in this role. You'll be joining a group of excellent people and you'll have the opportunity to move across the business if you wish.

You will work closely with our GM, Leonie, and your day to day will involve:

- Serving and hosting guests.
- Ensuring company standards are achieved across our food and beverage offering.
- Making sure all opening and closing procedures are completed to the expected standards.
- Ensuring all areas of the pub and garden are always kept clean and presentable.
- Cash and stock handling.

We'd love it if you had experience:

- In a similar working environment.
- Looking after people in a hospitality setting.
