Full-time, 48 hours per week

Up to £40,000 per year + variable TRONC + £8k annual bonus

We are on the hunt for a General Manager to work with us at The Queen's Head in Broad Chalke

Beyond being passionate about food and drink, we're looking for someone who shares our vision for hospitality and someone who strives for excellence in their work.

The Queen's Head is a real gem - vibrant, busy, and steeped in history. It is performing well as a business; has a strong reputation, and the ideal candidate will have the benefit of leading an efficient and knowledgeable team.

The Group is a young and rapidly growing hospitality business, meaning there is scope to progress in other areas of the business, and the ideal candidate will be given all the tools they require to perform in the role.

The day-to-day will involve:

- Overseeing the operation of the business.
- Delivering the highest standard of service in a friendly and professional manner.
- Looking after a large team of people.
- Thinking creatively about ways to drive the business.
- Ensuring that company standards are achieved across our food, beverage, and accommodation offerings.
- Managing staff rotas according to weekly budgets.
- Recruiting, developing, and training new members of the team.
- Ordering, and managing stock in line with stock take expectations.
- Purchasing and ordering in accordance with monthly budgets.

We'd love it if you had experience:

- Managing a busy food-led hospitality operation at GM, AGM, or Junior Manager level.
